

New Guidelines for the Improvement of Students' Discipline

1. Teachers may hit students at any time.
2. All students must convert to the Rector's religion.
3. Teachers can go through students' bags any time and examine their property.
4. Anyone who criticizes the new rules will be punished.
5. Students cannot talk to each other or stand in groups of more than two during school hours.
6. Students can be expelled at any time without reason. They will not be entitled to argue or appeal the decision.
7. Teachers can take any trainers or mobiles from students and keep them for their own use.
8. Students whose names start with the letter R cannot come to school ever again and will instead clean public toilets eight hours a day.
